HOUSTON, May 17th, 2017 - US Energy Consultants (USEC) received the Distinction Award in the Energy Services, Power Products and Energy Marketers Category at the Better Business Bureau Awards for Excellence luncheon held Wednesday May 10th, 2017. This was the sixth (6th) consecutive time USEC was recognized by the BBB for service excellence.

The BBB Awards for Excellence recognizes businesses and non-profits for their achievements and commitment to overall excellence and quality in the workplace. When asked what it means for USEC to receive this recognition, Mikhail Skachko president and chief executive officer of USEC said “When we first launched back in 2008, our goal was to strive for excellence, nothing less than perfection. Being recognized six year in a row confirms that we are on the right path and it sets us apart in the industry.”
